Art Unit: 1755

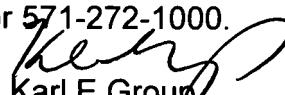

1. The following is an examiner's statement of reasons for allowance: The rejection of claims 11-25 over Langenohl (5,340,782) is withdrawn in view of applicants arguments. More specifically all the examples of Langenohl include amounts of clay ranging between 5-7.5 wt% outside the claimed range of 10-20 wt%. Furthermore, Langenohl fails to teach or fairly suggest a refractory gunning composition including 10-20 wt% clay.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
